PROFESSIONAL ACHIEVEMENTS.

- 1967- Pioneered the development and introduced the Clinical use of the drug **LASIX** (Furosemide), for the treatment of bleeders (**EIPH**) in racing thoroughbreds.
- 1980s- Owner of the **AQUA TRED CORPORATION**, to develop, manufacture, sale, and installation of the **AQUA TRED SYSTEM**, which is a new concept, the **underwater treadmill**, designed for conditioning horses with controlled exercise, therapy, and rehabilitation by decreasing the detrimental impact of a hard surface track.
- 1990s- Pioneered the development of the original **PEMF** unit, **PAPIMI**, for the reduction of pain and swelling of the musculoskeletal system in racehorses. Also helps in diagnostics of muscle soreness in the body.
- Presently- Dedicated to Increasing Respiratory Health and Wellness of TB racehorses using a state of the art, one of a kind supplement, **BIOPRO ARMOUR®** (animals) and **BIOPRO PLUS 500®** (humans) which are unique Cell Mediated Immune supplements, I helped formulate and perfect. The formulas are comprised of many Bio-Identical, Bio-Active, Thymus proteins that help balance and induce a natural Cellular immune cascade when mixed with **NANOMAX SILVER®** solution, a nano particle solution with several potent forms of action proven to help natural healing and support the immune system.
- Clinical Pilot Trials with these supplements have been shown to be instrumental in helping alleviate chronic disease in Humans and increase equine Respiratory Health. **BIOPRO ARMOUR™** has also been shown to help keep horses healthy and recover more quickly from the stress of racing or shipping.
- Co-Breeder of the leading graded stakes winning (\$922,000) son of AFFIRMED, Canada Turf Champion CHARLEY BARLEY.
